# TEXAS GENEALOGICAL COLLEGE Membership Renewal Form 2023

Membership in the Texas Genealogical College is open to any member of a lineage, hereditary, genealogical, historical, or heraldic society. The goal of the TGC is to serve as a conduit for each Texas lineage/genealogical organization to spread the word about the qualifications for membership in each group and to share information about their respective activities; to recognize outstanding genealogists in the Texas Genealogical Hall of Fame; to sponsor genealogical & historical seminars around the state and other informative activities. An Annual TGC Conference is held and includes meetings of various lineage societies along with exciting workshop and educational presentations.

**A message from the TGC President:** The Executive Board appreciates your membership and looks forward to your membership renewal. Newsletters will now be quarterly and we will host virtual educational meetings every other month. If the Executive Board can assist you in any way, please do not hesitate to contact us.
